Tail-Chasing Dachshund Beanie

Pattern & design by Rintozxr

Introduction

A fuzzy colorwork beanie featuring one extremely long dachshund wrapping around the entire hat and chasing its own tail. The length of the dachshund is determined by the circumference of your head.

Materials

Xuefeier Meng Xiao Ai, short-pile fuzzy yarn, 50 g/ 70 m (77 yd) per ball. Dark brown (MC), brown, light brown, yellow, and black. Only small amounts of the contrast colors are required.

Needles

5.0 mm circular needles (or preferred needles for working small circumferences in the round)

Gauge

11 sts*21 rnds over 10*10 cm / 4*4 in in stockinette stitch

Size

One size, approximately 58 cm/ 23 in circumference and 19 cm/ 7.5 in tall, excluding the 5 cm/ 2 in folded ribbed brim.

Abbreviations

CO = cast on, k = knit, k2tog = knit 2 stitches together
MC = main color, rnd(s) = round(s), st(s) = stitch(es).

Pattern & design by Rintozxr

Brim

Step 1

CO 64 sts. Join to work in the round, being careful not to twist.

Step 2

Work in 2x2 rib for approximately 5 cm/ 2 in.

Body

Step 3

Work 9 rnds in stockinette stitch in MC, then begin the colorwork chart at Rnd 10.

Dachshund chart

Step 4

Work Rounds 10-25 following the chart, reading each round from right to left.

***Colorwork note**

To avoid very long floats, I recommend using separate small balls of the contrast colors for different sections rather than carrying a single strand around the entire round. Catch longer floats with the main color on the wrong side to reduce snagging while keeping the fabric comfortably stretchy.

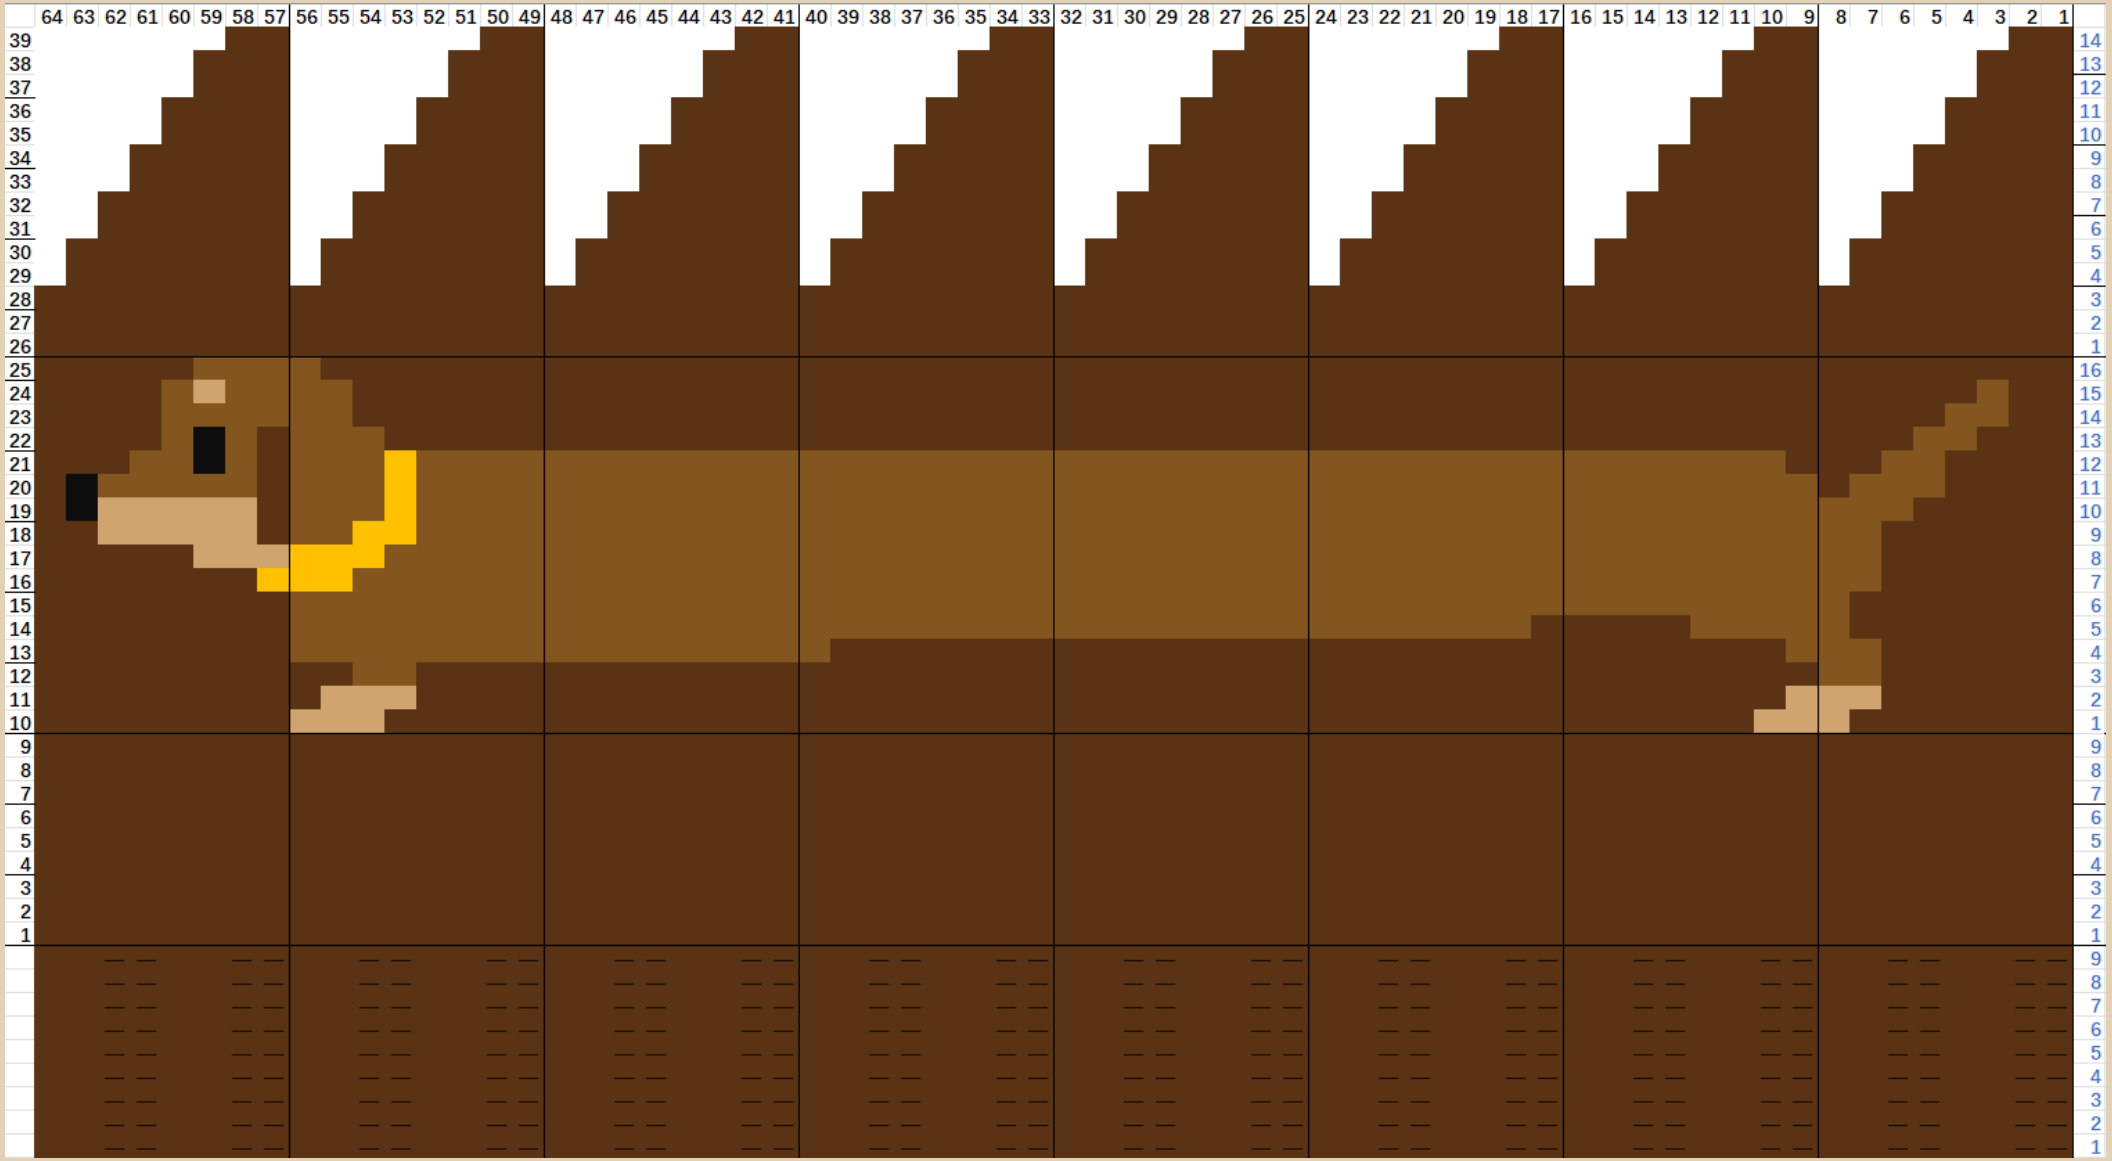

Crown

Step 5

Begin the crown decreases when the hat is 5 cm/ 2 in shorter than finished length (Rnd 29 for the example).
Decrease Rnd 1: *K6, k2tog, repeat from * around. (56 sts)
Rnd 2: Knit.
Decrease Rnd 3: *K5, k2tog, repeat from * around. (48 sts)
Rnd 4: Knit.
Decrease Rnd 5: *K4, k2tog, repeat from * around. (40 sts)
Rnd 6: Knit.
Decrease Rnd 7: *K3, k2tog, repeat from * around. (32 sts)
Rnd 8: Knit.
Decrease Rnd 9: *K2, k2tog, repeat from * around. (24 sts)
Rnd 10: Knit.
Decrease Rnd 11: *K1, k2tog, repeat from * around. (16 sts)
Rnd 12: Knit.
Decrease Rnd 13: K2tog around. (8 sts)

Finishing: Cut yarn, thread the tail through the remaining 8 sts with a tapestry needle. Pull tight to close the top, secure, and weave in the end.

Dachshund Chart

Note: The chart covers all 64 sts of the hat. **It is not a repeating motif.** The bold vertical grid lines are for counting stitches only. Numbers on the left are for total round count and numbers on the right are for section round count.
